

WE NEED YOUR INPUT

FLORENCE COUNTY COMPREHENSIVE PLAN UPDATE

Florence County is in the process of updating its 20-year comprehensive plan, which will guide the county's growth and development through 2040. We are requesting your input on how you want your county to look in 20 years. Your feedback will be invaluable to the planning process.

The county is asking for you to please participate in a brief online survey to tell us your concerns and discuss improvements for the county. The survey can be found online at:

The survey is also available at www.florencecountywi.com and on Facebook at www.facebook.com/ExploreFlorenceCounty

Thank you for taking the time to help keep Florence County a great place to live, work, and thrive!
