**Florence County Restaurants offering Take-Out Food**

Please support our local restaurants who continue to offer take-out food service during this COVID-19 lock down. Some have reduced hours and days, so please call ahead to be sure they are serving and place your order. The “Florence County” Facebook page has been posting all of their menus. Or search for the specific restaurant on Fb to see any specials or revised menus.

You can also support our local restaurant, retail and service business by buying gift certificates now that can be used once businesses can reopen. Go to [www.ExploreFlorenceCounty.com](http://www.ExploreFlorenceCounty.com) to search the business directory to see business options.
