

NOTICE

Subject: ATV/UTV Trails Opening

Florence County ATV/UTV trails will open on May 2nd 2019 at 12:01 AM. Please use extreme caution, as there may still be spots that have ice and/or snow cover. Please ride with caution as many sections of the trail system are still in very poor condition and keep an eye out for groomers as they will most likely be sharing the trail in an effort to smooth things out after the past winter season. Let's make this a safe season. Support your local ATV club and the hard work they do to maintain the Florence County ATV/UTV trail system. Questions or concerns may be directed to the Florence County Forestry and Parks Department (715) 528-3207 x1704. For more trail information please visit our website at www.ExploreFlorenceCounty.com.
